*Article 30*  
**Default Bid**

A default Bid, once identified as such by the Registered Participant, shall apply automatically to each subsequent and relevant Auction as defined by the Registered Participant when placing the default Bid. At the opening of a relevant Bidding Period, the registered default Bid shall be considered as a Bid submitted by the Registered Participant for the relevant Auction. This Bid shall be considered as delivered when the Allocation Platform sends an acknowledgment of receipt to the Registered Participant.

2. At closure of the Bidding Period the Allocation Platform shall confirm again whether the maximum payment obligations connected with registered Bids calculated according to

paragraph 5 of this Article exceed the Credit Limit. If the maximum payment obligations connected with these Bids exceed the Credit Limit, these Bids, starting with the Bid with the lowest Bid Price, shall be one (1) by one (1) excluded, until the maximum payment obligations are less than equal to the Credit Limit. The Allocation Platform may apply additional criteria or rules to decide which Bid shall be rejected. Such additional criteria or rules shall be included in the information System Rules and shall be one or more from the following:

- (c) chronological submission (time stamp); and/or
  - (d) Bid identification assigned by the Auction Tool; and/or

In case of Bids connected with various and overlapping Auctions the Allocation Platform shall consider all calculated maximum payment obligations as outstanding payment obligations according to Article 21.
  5. For calculation of maximum payment obligation (MPO) related to one direction the Allocation Platform shall sort the registered Bids of a Registered Participant by Bid Price in descending order (merit-order). Bid 1 shall be the Bid with the highest Bid Price and Bid  $n$  shall be the Bid with the lowest Bid Price. The Allocation Platform shall calculate the maximum payment obligation according to the following equation:

$$MPO = \sum_{hours} \text{Max} \left[ \text{Bid Price (1)} * \text{Bid Quantity (1)}; \text{Bid Price (2)} * \sum_{i=1}^2 \text{Bid Quantity (i)}; \dots \dots; \text{Bid Price (n - 1)} * \sum_{i=1}^{n-1} \text{Bid Quantity (i)}; \text{Bid Price (n)} * \sum_{i=1}^n \text{Bid Quantity (i)} \right]$$

6. When calculating the maximum payment obligations according to paragraph 5 of this Article, the Allocation Platform shall also take into account the increase of the maximum payment obligations with applicable taxes and levies in force.

*Article 32*

  - (b) identification of winning Bids to be fully or partially satisfied; and
  - (c) determination of the Marginal Price per direction.

3. The Allocation Platform shall determine the Marginal Price at each Bidding Zone border and direction based on the following criteria:
  - (a) if the total quantity of Cross Zonal Capacity for which valid Bids have been submitted is lower than or equal to the relevant Offered Capacity for the relevant Auction, then the Marginal Price shall be zero;
  - (b) if the total quantity of Cross Zonal Capacity for which valid Bids have been submitted exceeds the relevant Offered Capacity for the relevant Auction, the Marginal Price shall be set at the lowest Bid(s) Price(s) allocated in full or in part using the respective Offered Capacities.
4. If two (2) or more Registered Participants have submitted for one direction valid Bids with the same Bid Price, that cannot be accepted for the total requested quantity of Intraday Transmission Rights, the Allocation Platform shall determine the winning Bids and the quantity of the allocated Intraday Transmission Rights per Registered Participant as follows:
  - (a) the Cross Zonal Capacity available for the Bids which set the Marginal Price shall be divided by the number of the Registered Participants which submitted these Bids;
  - (b) in case the quantity of Intraday Transmission Rights requested by a Registered Participant at Marginal Price is lower or equal than the share calculated according to item (a) above, the request of this Registered Participant shall be fully satisfied;
  - (c) in case the requested quantity of Intraday Transmission Rights by a Registered Participant at Marginal Price exceeds the share calculated according to item (a) above, the request of this Registered Participant shall be satisfied up to the amount of the share as calculated according to item (a) above;
  - (d) any remaining Cross Zonal Capacity after the allocation according to items (b) and (c) shall be divided by the number of the Registered Participants whose requests have not been fully satisfied and allocated to them applying the process described in items (a), (b) and (c) above.
5. Whenever the calculation set forth in paragraphs 3 to 5 of this Article does not result in a full MW amount in accordance with Article 28 paragraph 1(f), the Intraday Transmission Rights shall be rounded down to the nearest full MW. The case when the Transmission Rights allocated to individual Registered Participants are equal to zero after rounding shall not impact the Marginal Price determination.
6. The Intraday Transmission Rights are deemed to have been allocated to a Registered Participant from the moment the Registered Participant has been informed of the Results.

*Article 33*

The Registered Participant shall make the payment in accordance with the procedure set forth in Article 45(6). Upon such payment the Allocation Platform shall update the Credit Limit of the Registered Participant as set forth in Article 45(8).
5. The interest paid in case of a payment in accordance with paragraph 4 of this Article shall be applied from the first (1<sup>st</sup>) day following the date on which the payment was due up to the date on which the disputed amount was refunded and it shall apply also to all taxes and levies required by law.

#### *Article 47*

#### *Article 48*

##### **Duration and amendment of Access Rules**

1. The Access Rules are of indefinite duration and are subject to amendment in accordance with this Article. These Access Rules and any amendments thereof shall be consulted upon subject to paragraph 5 of this Article proposed by the relevant TSOs and enter into force in accordance with the applicable national regulatory regime. The Allocation Platform shall publish the amended Access Rules and send an amendment notice to Registered Participants.
2. Subject to paragraph 5 of this Article, an amendment shall enter into force at the date and time specified in the amendment notice but not later than twenty eight (28) calendar days after the amendment notice is sent to Registered Participants by the Allocation Platform.
3. Each amendment shall apply to all aspects of these Access Rules, including but not limited to all Auctions conducted after the date on which the amendment takes effect.
4. Any amendment of these Access Rules shall apply automatically to the Participation Agreement in force between the Allocation Platform and the Registered Participant, without the need for the Registered Participant to sign a new Participation Agreement but without prejudice to the Registered Participant's right to request the termination of its Participation Agreement in accordance with Article 52(1). By participating in the Auction after the Registered Participant was informed about the changes and/or adaptations of the Access Rules and after these changes and/or adaptations of the Access Rules entered into force, it is deemed that the Registered Participant has accepted the changed, i.e. the valid and effective version of the Access Rules.
5. These Access Rules are subject to the legislation prevailing at the time at which they take effect. In the event that there is a change in relevant legislation or any action by competent authorities which have an effect on these Access Rules and/or their annexes then, notwithstanding any other provision of these Access Rules, the Access Rules shall be amended accordingly and pursuant to this Article.

#### *Article 49*

4. The Allocation Platform and each Registered Participant acknowledges and agrees that it holds the benefit of paragraph 3 of this Article for itself and as trustee and agent for its officers, employees and agents.

#### *Article 50*

#### **Dispute resolution**

1. Without prejudice to paragraphs 7 and 8 of this Article, where there is a dispute the Allocation Platform and the Registered Participant shall first seek amicable settlement through mutual consultation pursuant to paragraph 2. For this purpose, the Party raising the dispute shall send a notification to the other party indicating:
  - (a) the existence of a Participation Agreement between the Parties;
  - (b) the reason for the dispute; and
  - (c) a proposal for a future meeting with a view to settle the dispute amicably.
2. The Parties shall meet within twenty (20) Working Days of a request to meet and seek to resolve the dispute. If no agreement is reached or no response received within a period of thirty (30) Working Days from the date of the aforementioned notification, either Party may refer the matter to the senior management of the Parties to resolve the dispute pursuant to paragraph 3.
3. The senior representative of each of the Allocation Platform and the Registered Participant with authority to resolve the dispute shall meet within twenty (20) Working Days of a request to meet and seek to resolve the dispute. If the representatives are unable to resolve the dispute within twenty (20) Working Days of the meeting or such longer time as may be agreed then the dispute shall be determined by arbitration in accordance with paragraph 4.

4. Where a dispute is to be referred to arbitration under paragraph 3, either the Allocation Platform or the Registered Participant may give notice to the other stating the nature of the dispute and referring the dispute to arbitration. Arbitration shall be conducted in accordance with the Rules of Arbitration of the Chamber of Commerce (ICC). The arbitration shall be conducted before one (1) arbitrator to be nominated upon agreement of the Parties unless a Party requests the appointment of three (3) arbitrators. In case of one (1) arbitrator, the Parties shall agree on the nomination of the arbitrator within two (2) months after the notice was given by the Party referring the dispute to arbitration. If no agreement can be found, the arbitrator shall be appointed by the ICC Court. In case of three (3) arbitrators the claimant shall nominate one (1) arbitrator and the respondent shall nominate one (1) arbitrator. The arbitrators nominated by each Party shall then nominate the chairman of the arbitral tribunal within three (3) Working Days from the confirmation of the appointment of the second arbitrator by the respondent. If the arbitrators nominated by each party cannot agree on the appointment of the chairman, the chairman shall be appointed by the ICC Court. The arbitration shall take place in the location of the Allocation Platform unless otherwise defined in the Participation Agreement and in accordance with the governing law of these Access Rules while the language of the arbitration proceedings shall be English. The emergency arbitrator provisions according to the Rules of Arbitration of the Chamber of Commerce shall not apply but the interim or injunctive relief measures under the governing law shall apply.
5. Arbitration awards shall be final and binding on the Allocation Platform and the relevant Registered Participant as from the date that they are made. The Allocation Platform and the Registered Participant shall carry out any award of an arbitrator relating to any dispute without delay and each waive their right to any form of appeal or recourse to a court of law or other judicial authority, in so far as such waiver may validly be made.
6. Notwithstanding paragraphs 3 and 4 of this Article, the Parties may jointly agree to apply court proceedings instead of arbitration to settle a dispute arisen in connection with these Access Rules.
7. In cases of late payment and without prejudice to Article 47 and paragraphs 1 to 4 of this Article, a Party may bring court proceedings against the other Party for any amount due under or in connection with these Access Rules and unpaid for more than twenty (20) Working Days after the date the amounts were due.
8. The Parties agree that proceedings referred to in paragraph 6 or paragraph 7 may be brought in any competent court to hear such claim. The Registered Participant irrevocably waives any objection which it may have now or hereafter regarding the venue of such proceedings in any competent court and any claim that any such proceedings have been brought in an inconvenient forum.
9. Notwithstanding any reference to amicable settlement, expert resolution or arbitration under this Article, the Allocation Platform and the Registered Participant shall continue to perform their respective obligations under these Access Rules and the Registered Participant's Participation Agreement.
10. This Article survives the termination of the Registered Participant's Participation Agreement.

#### *Article 51*

#### **Suspension of the Participation Agreement**

  - (c) any breach which may have a financial impact to the Allocation Platform;
  - (d) the Allocation Platform has reasonable grounds to believe that the Registered Participant no longer satisfies one or more of any other conditions to participate in Auctions according to these Access Rules unless termination applies according to Article 52.
2. In any case of a minor breach in relation to these Access Rules such as the failure of the Registered Participant to notify a change in the submitted information in accordance with Article 8, the Allocation Platform may by notice to the Registered Participant inform the Registered Participant's that its rights in connection with these Access Rules may be suspended unless the Registered Participant remedies the suspension event in the time period specified in the notice. The suspension shall take effect when the period specified for remedy has elapsed without that such remedy has taken place. After the suspension takes effect in accordance with paragraphs 1 and 2 of this Article, the suspended Registered Participant may no longer participate in an Auction and, unless the payment of the Transmission Right is fully settled or fully secured by collaterals by the suspended Registered Participant, the suspended Registered Participant shall not be entitled to use Transmission Rights according to CHAPTER 5.
  3. The Allocation Platform may withdraw a notice under paragraphs 1 or 2 of this Article at any time. Having given a notice under paragraphs 1 or 2 of this Article, the Allocation Platform may give a further or other notice at any time in respect of the same or a different suspension event.
  4. Once the Registered Participant has fulfilled or remedied the suspension event as notified to it in the notice sent by the Allocation Platform, the Allocation Platform shall reinstate as soon as reasonably practicable the Registered Participant's rights in relation to its ability to participate in Auctions by written notice to the Registered Participant. As from the date of effect of the reinstatement and the Registered Participant may participate in Auctions.
  5. If the Allocation Platform gives a notice to a Registered Participant under paragraph 1 or 2 of this Article, such notice of suspension does not relieve the Registered Participant from its payment obligations under CHAPTER 7.

#### *Article 52*

#### **Termination of the Participation Agreement**

1. A Registered Participant may at any time request the Allocation Platform to terminate the Participation Agreement to which the Registered Participant is a Party. The termination shall take effect after thirty (30) Working Days upon receipt of the termination request by the Allocation Platform and all outstanding payment obligations are settled.
2. A Registered Participant may terminate the Participation Agreement to which the Registered Participant is a Party for good cause when the Allocation Platform has committed a major

breach of an obligation connected with these Access Rules or the Participation Agreement in the following cases:

3. The Registered Participant shall send a notice to the Allocation Platform stating the reason for termination and giving the Allocation Platform twenty (20) Working Days to remedy the breach where possible. Unless the Allocation Platform remedies the breach within the abovementioned deadline, the termination shall take effect immediately upon expiration of such deadline. Where no remedy is possible, the termination shall take effect immediately upon receipt of the termination notice.
4. If any of the termination events in paragraph 5 occurs in relation to a Registered Participant, the Allocation Platform may by notice to the Registered Participant terminate the Participation Agreement, including the Registered Participant's rights connected with these Access Rules. A termination under this paragraph takes effect from the time of the notice or any later time specified in it. The Registered Participant may not at a later stage enter into the Participation Agreement with the Allocation Platform until the circumstances of termination continue to exist or it is not sufficiently guaranteed that the breach may not occur again.
5. The termination events referred to in paragraph 4 shall be the following:

  - (c) if a Registered Participant repeatedly breaches these Access Rules or a Participation Agreement, whether or not the breach is capable of remedy;
  - (d) if a competent authority (i) determines that the Registered Participant has committed a misuse or fraudulent act and (ii) requests the Allocation Platform to terminate the Participation Agreement to which such Registered Participant is a Party or (iii) agrees that the Allocation Platform has reasonable grounds to believe that the Registered Participant has committed a misuse or fraudulent act in participating in; or
  - (e) if the Registered Participant has taken any action which may lead to the damaging or reduction in effectiveness of the Auction Tool (it being understood that such an action is deemed to happen in case of any behaviour that can be assimilated to an attack on the information system such as, but not limited to, deny of service, spam, virus, brute forcing, Trojan horse attack).
6. After the termination takes effect in accordance with paragraphs 1 to 4 of this Article and from that time, the Registered Participant may no longer participate in an Auction.
7. Termination of a Participation Agreement does not affect any rights and obligations under or in connection with the Participation Agreement and these Access Rules which arose prior to that termination unless otherwise specified in this Article. Accordingly, any Registered Participant whose Participation Agreement is terminated will remain liable, subject to and in

accordance with the Access Rules, in respect of all such rights and liabilities. This paragraph shall apply without prejudice to other remedies available to the Allocation Platform under these Access Rules.

*Article 53*

The person invoking the Force Majeure shall make every possible effort to limit the consequences of the Force Majeure.
2. The affected obligations, duties and rights of a Party subject to Force Majeure shall be suspended from the beginning of Force Majeure, with the exception of the confidentiality provisions in accordance with Article 55.
3. Suspension under paragraph 2 is subject to the following:

  - (b) the acquired Transmission Rights which have been entirely paid and become subject to Force Majeure are reimbursed for the duration of the Force Majeure in accordance with any applicable legislation and these Access Rules.
5. If the Force Majeure continues for a period longer than six (6) months, the Allocation Platform or each Registered Participant may, by notice to the other given at any time while the Force Majeure continues beyond that period, unilaterally terminate the Participation Agreement. The termination shall take effect ten (10) Working Days after the notice is given or any later date specified in the notice.
6. For avoidance of doubt this Article is without prejudice to the provisions of CHAPTER 6 regarding the curtailment of Intraday Transmission Rights.
